VOLUME VI

MINING CONGRESS JOURNAL

EDITORIALS

A bad and a good example 357
A defensive offensive 114
A Department of Mines 113
A diplomatic faux pas 306
A fair award 393
A Federal income tax clearing house. 619
A good fight 306
A gratifying movement toward co-operation 525
A little knowledge 517
A protective tariff 519
A reasonable request 216
A tragedy 71
A war minerals relief comparison 169
A word for the wildcatter 622
Announcement 305, 513
Announcement: twenty-third annual convention 365
Appreciation 353
Arizona chapter 4
Blue sky laws 307
Closed shops 395
Coal prices 309
Commendable action 618
Common sense regulation of coal prices 619
Competition for the railroads 449
Complex and simplex taxation 398
Congratulations 5
Constitutional rights 164
Contract obligations 445
Co-operation in tax adjustments 361
Cows should be consulted 69
Creditable work 6
Currency inflation declining gold production 7
Decreasing accidents 214
Deflation 110
Demand efficiency 3
Endless circle 7
England's Reserve ratio and ours 357
Farewell and welcome 116
Financial review of the month 273, 314, 363, 397, 449, 524
Five days of hard work 5
Freedom 265
Freight rate justice 446
Going and coming 115
Gold and our foreign trade 514
Gold question 65
Gold reserves 311
Gold standard 312
Gompers and safety 214
Gompers objects 2
Heads I win; tails you lose 308
High Cost of Strikes 166
If this be treason 3
Inalienable rights 112
Income tax complexity 167
Income tax law revision 269
Income tax situation 267
Industrial consumption of gold 74
In good faith 70
International honesty 518
Is he radical? 359
Is this a libel? 523
John Barton Payne 116, 164
Jollying the taxpayers 71
Labor and the railroads 111
Labor in business 394
Labor the new capitalist 356
Labor's opportunity 215
Labor's political movement 218, 313
Leadership in coal industry 213
Lesson of the Wall Street horror 445
Maintenance of gold standard 620
Mine safety work 393
Mining the greatest industry 519
Montana awakening 71
More dangerous than anarchy 215
National entity 109
National grange and organized labor. 115
Nationalization again 213
Nationalization fails 1
Non-partisan labor 355
Not a bogie man 69
Notice to I. W. W. 306
Oil frauds 308
Oil leasing regulations 162

Physical efficiency 165
Pick the pickets 397
Price fixing idiocy 516
Price level reductions 617
Publicity for mining districts 621
Reasons for social unrest 67
Refunding national debt 362
Regrettable 5
Rejuvenation of Butte 72
Remedy for H. C. L. 63
Right to strike 309
Same old fight 162
Sedition bills 73
Shippers' conference 1
Short hours and coal prices 354
Short sighted Mr. Edgar 115
Silk shirts and idleness 446
Sliding railroad revenues 447
Soldiers' Bonus Bill 265
Standardization in mining 358
Standardization of equipment 311
State mine taxation 522
State regulation of industry 515
Steel strike in Colorado 66
Taking the loss 515
Thank you, Secretary Wilson 71
The boomerang 354
The deadly parallel 164
The government machine 359
The greatest organization in the world 513
The growth of the public conscience. 448
The H. C. of L. 35
The "kick-back" 272
The oil situation 217
The open market 354
The open shop 165
The people's dollar 161
The right to strike 72
The story 7
The super-power plan 274
The union label 357
The value of business co-operation 394
Think it over 165
Time to stand pat 356
To investigate British oil shale 271
Trade relations with Russia 67
Trucks versus railroads 447
Truth about the farmer 396
Uncle Sam's pin money 214
Unrest and progress 396
Verboten in Alaska 353
War minerals relief situation 266
Western freight rates 617
"What do you mean, relief?" 70
What's in a name? 271
What the McFadden Bill does not do 521
Will Americanism win 64
Will labor succeed? 269
Worthy position 522
Zinc and copper 167
1920 8

METALS, ORES, ETC.

Abrasives in Spain 160
Adams on magnesite 23
Alaska Copper and Gold Problems Given Attention 426
Alsatian potash 94
American Capital Controls World Copper production 586
Annual assessment work 288
Asbestos 22, 378
Assessment work 227

Barytes tariff 126
Bauxite mines to be sold 85
Bishop on magnesite 17
Bureau of Mines issues chart 304
Bureau of Mines monthly report 278

California's 1919 mineral production. 109
California production 34
Colorado as a mining state 551
Colorado production 11
Copper deposits 180
Copper in Alaska 349
Copper in Arizona 26
Copper negotiations 35
Copper outlook 379
Copper production 9

Division Mines and Geology 287
Domestic Barytes 126

Evans, Charles R., on station needs .. 276
Experiment station, Nevada's need for 276

Ferro-manganese case 227
Financing a Prospect 379
Foreign mineral deposits 136

German pig iron production 117
Garrett on copper 35
Gold 34, 189
Gold exports 32
Gold imports 32
Gold mining in Alaska 347
Gold production 22
Graphite 34

Hayden copper bill 40
Helium Bill 133

Idaho production 24
India absorbs more silver 173
Iron mines in Russia 134
Iron ore in Oregon 347
Iron ore in Spain 85
Iron ore, Lake movement of 75

Lane's report 17
Lead production 11
Lead, wastage 225

Leasing Act effective whole day..... 432
Leasing Bill..... 198
Leasing Bill signed..... 137
Leasing Law..... 117
Low grade ores..... 159
Low metal output in Western States. 490

Magnesite hearing.....17,23
Manning, Van. H., on Bureau of Mines' work..... 281
Metal prices hold..... 438
Mid-year metal mining survey..... 427
Mineral bulletins..... 60
Mineral law..... 220
Mineral Leasing Law..... 117
Minerals Separation Case—Interesting evidence.....316,645
Mineral Tariff Bill..... 119
Mining Digest..... 378
Mining in New Mexico..... 380
Mining law revision..... 174
Mint figures..... 22
Mints to buy silver $1 per ounce.... 298
Montana's production..... 30
Nevada production..... 47
New Mexico's production..... 62
Nitrate distribution..... 259
Nitrate imports..... 134

Ontario's production..... 47
Oregon production..... 24

Permissible explosives..... 100
Peru's copper..... 121
Pig iron exports..... 156
Pig iron in Finland..... 126
Pig iron in Great Britain..... 137
Pig iron production..... 110
Pittman Act..... 187
Placer gold..... 322
Platinum in Alaska..... 347
Prospectors' rights..... 172

Reduction in gold and silver output.. 485
Revision of laws..... 174

Silver..... 298
Silver exports.....32,85
Silver imports..... 32
Silver for India..... 60
Silver in China..... 61
Silver in France..... 21
Silver production..... 22
Silver purchases..... 349
South Dakota production..... 33
Spain a copper producer..... 107
Standardization Conference.....455,541
Sulphur companies after acid business 107
Sulphuric acid sale..... 137
Sulphur surplus sold..... 85

Tariff Bills..... 119
Texas production..... 10
The American gold problem..... 575
The industrial gold consumer's subsidy..... 652
The McFadden Bill..... 400
The western mining states..... 573
TNT uses limited..... 285
Tungsten..... 191
Tungsten duty discussed..... 83
Tungsten tariff..... 170

Utah production..... 39

Vanadium Development..... 378

War minerals..... 288
War minerals activities..... 18
War minerals awards..... 117
War minerals bill.....171,190,235
War minerals bill passes Senate..... 303
War minerals hearings..... 121
War mineral legislation..... 339
War minerals relief claims..... 75
War minerals report..... 18
Washington production..... 62

Year's mineral production..... 491

Zinc production..... 11

COAL

Accidents..... 230
Alaskan coal..... 226
Alaska's coal..... 349
Analysis of coal situation..... 223
Anthracite Coal Commission..... 350
Anthracite report..... 139
Anthracite wage scale..... 277

Bittner's presentation..... 91
Bonus..... 89
Bunkering facilities..... 260

Cap lamps..... 92
Cars..... 93
Coal.....192,288
Coal and fuel costs..... 285
Coal by-products as gasoline substitutes..... 385
Coal-cleaning plant, Alaska..... 369
Coal Commission.....76,123,240
Coal Commission award..... 176
Coal Commissioner.....181,193
Coal Export Committee's report..... 590
Coal export questionnaire..... 278
Coal exports..... 31
Coal land leases..... 188
Coal legislation..... 337
Coal mining machines..... 329
Coal output..... 61
Coal profiteering charges challenged. 279
Coal storage..... 239

Colloidal fuel 238
Contract disregarded 86
Cost reporting 84

Dangers from explosive fumes 438
Diversion settlements 186
Diversions stopped 205

Extra pay 88

Farrington's figures 78
Federal trade report 122
Fluctuation in coal 127
Frelinghuysen bills 181
Frelinghuysen hearing 222

Guthrie discusses demands 87

Idleness 88
Illinois report 122
Industry without a leader 184

Lack of coal a handicap 105
Letter to operators 84

Miners' demands 76
Mine accidents 230
Miners' wages increased 176
Mining retarded 333
Morrow, J. D. A., challenges charges. 279

National legislation 287
Navy coal 226

Open-top cars 185
Operators' questions 76

Penna states case 79
Permissible explosives 100
Power survey to effect saving in coal and money 591
President's coal commission 76

Reservation 76

Seasonal coal rates 181,222
Sewall's point classification 434
Stabilization of market 13
Standardization Conference 541
St. Lawrence rapids power development 366
Sum up evidence 123

Trade Commission's report on coal .. 292

Wentz, D. B., elected president N. C.A. 277
Wholesalers 227

OIL

Digest mining and petroleum news .. 378
Dr. Alderson's Investigation in Europe 384

Expert holds America's oil shortage can be overcome 582

Fuel oil 199
Fuel oil production 22

Leasing Bill 368
Looking to Mexico for oil 461

Oil and gas permits 486
Oil Bill 197
Oil contracts awarded 284
Oil lands 225
Oil—over-capitalization cause of failure 381
Oil shale development 384
Oil shale work 139
Oil supply 237
Oil supply for navy 275

Possibilities in New Mexico 383

Shale station desired 490

To extract oil from shale 175

GENERAL

Abolition of Excess Profits Tax 404
Accomplishments of the National Mine Tax Conference 641
Airplanes for rescue work 117
Alaska 197
Alaska, coal-cleaning plant 369
Alaska's development 350
